Minutes of a business meeting of the Wigton Burial Joint Committee on Wednesday the 7th of December 2022 at 7.00 pm in The Vestry, Wigton Cemetery.

Agenda

1. **Apologies for absence**

Apologies received for H Robbins and A Jackson.

2. **Budget**

It was discussed that the new Wigton Town Council Clerk was having difficulties putting things together and as such, it was proving difficult to finalise our budget for the upcoming year. Going forward the WBJC would like to separate the rental house income from the Cemetery accounts. Work continues on finalising last year's incomings and outgoings to give the committee a better idea of what to budget for the upcoming year.

3. **Footpath Repair**

Two estimates have been received with regard to replacement of the footpath, one from Ian Rumney and one from Fosters. It was agreed that there was a possibility of applying for grants and that it was most likely that the Friends of Wigton Cemetery would probably have more success in doing this.

4. **Friends of Wigton Cemetery**

MC updated that there had been a Friends of Wigton Cemetery meeting the week previously. MC is in the process of opening an account with the Cumberland Building Society and Julia is setting up a constitution for the group. They were also looking into the possibility of setting up a QR code so people could donate easily. Overall MC told the committee that it was still a work in progress.
